

MEDICAL CANNABIS REGULATION AND SAFETY ACT

Note: A licensee may only hold a state license in up to two separate license categories. Some exceptions apply.
How to use this chart: Find your license type at the top. Drop down the column to find other allowable licenses.
 Example: If you are a small outdoor specialty cultivator (upper left corner), you would not be able to get testing lab, dispensary or distribution licenses (bottom of first column).

LICENSE TYPE

LICENSE RESTRICTIONS
