The Fresno Council of Governments Invites YOU to a

Community Workshop

Thursday, July 6th from 6:00 - 8:00 pm
at John Palacios Community Center

Join other community members at a workshop to discuss transportation projects you would like to see funded and built!

Your Vision, Your Community is a regional effort to improve the quality of life in our communities throughout the region through transportation projects and options. Join us to discuss the development of Fresno Council of Governments' (Fresno COG) Regional Transportation Plan (RTP) that takes a big-picture look at how our communities can grow over time while coordinating our transportation options with the land uses around them. Provide comments on the lists of projects to be included and suggest new projects.
