| STANDARD TITLE: | 401.002 OPERATIONAL (USE) PERMITS | |
| STANDARD NUMBER: 401.002 | EFFECTIVE DATE: 1 December 2021 | REVISION DATE: 1 December 2021 |

SCOPE

This policy clarifies the Department's requirements for issuing operational (use) permits.

PURPOSE

This policy has been established to provide direction on issuing new operational (use) permits, which are required for specific operations or products when they exceed the exempt amounts in accordance with Coalinga Municipal Code (CMC) and can be found in the California Fire Code.

REQUIREMENTS

Operational (use) permits are required by California Fire Code Section 105 for several operations and hazardous materials. Permit fees shall be paid, and a physical inspection completed prior to issuance of a permit. Issued permits shall be always kept readily available for inspection by the Coalinga Fire Department.
