

CITY OF COALINGA
The Sunny Side of the Valley

**SMOKE DETECTOR AND CARBON MONOXIDE
INTALLATION SELF CERTIFICATION FORM**

California Residential Code (CRC) Section 314 requires that **Smoke Alarms** are installed in existing dwellings anytime a building permit with a job valuation of more than \$1,000.00 is issued for an addition, repair, or alteration.

California Residential Code (CRC) Section 315 requires that **Carbon Monoxide (CO) Alarms** are installed in existing dwellings that have attached garages or fuel burning appliances *anytime* a building permit with a job valuation of more than \$1,000.00 is issued for an addition, repair or alteration. Furthermore, Health and Safety Code Section 17926 states that **all single-family** dwellings that have attached garages or fuel burning appliances must have a CO Detector installed prior to January 1, 2013.

Smoke and Carbon Monoxide Alarms shall be located outside each sleeping area, in the immediate vicinity of bedrooms and on every story of the dwelling; including basements and habitable attics (split levels are considered one story).

Additional smoke alarms are required in each sleeping room and in any room with a closet.

This self-certification form may be used if the interior of the dwelling will not be accessible to inspect the placement of smoke and CO alarms at the time of Final Inspection. The permit referenced below cannot be finalized until this form is completed and reviewed by the City of Coalinga Building Official.

Property Address: _____ Building Permit No.: _____

I am the Contractor Owner Authorized Agent

I hereby declare and certify, under penalty of perjury under the laws of the State of California, that;

- Smoke detectors have been installed as required by the CRC and the manufacturer’s recommendations.
- Carbon Monoxide detectors have been installed as required by the CRC and the manufacturer’s recommendations.
