

Tax Revenue Sharing Agreement Reporting Form

Regulation 1808 requires every local agency to electronically complete and submit a tax revenue sharing agreement reporting form to the Department by April 30 of each year to report the tax revenue sharing agreement information required to be reported by Revenue and Taxation Code (RTC) section 7213 for the immediately preceding fiscal year.

If your local agency rebated sales and use tax revenue pursuant to one or more tax revenue sharing agreements during the fiscal year for which information is being reported, you will also need the following information regarding each agreement:

- The name or names of any parties to the agreement.
- The date the agreement was executed.
- The date the agreement terminated or will terminate, absent any renewal.
- The total dollar amount of rebated sales and use tax revenues received by each party to the agreement on or after the date of execution of the agreement through and including June 30 of the fiscal year for which information is being reported.
- The total dollar amount of rebated sales and use tax revenues received by each party to the agreement during the fiscal year for which information is being reported.
- The percentage of a retailer's sales and use taxes, if any, used to calculate or otherwise determine the rebated sales and use tax revenues received by each party to the agreement.
- The percentage of a retailer's sales and use taxes, if any, used to calculate or otherwise determine the rebated sales and use tax revenues received by any other person that is not a party to the agreement.

If your local agency rebated sales and use tax revenue pursuant to one or more tax revenue sharing agreements during the fiscal year for which information is being reported, then you will also need to know whether the information being reported about those tax revenue sharing agreements is published on your local agency's website in the manner required by subdivision (b) of RTC section 7213.
