DEPT: Community Development

NOTICE IS HEREBY GIVEN THAT, the City of Coalinga City Council will hold a public hearing on June 18, 2020 at 6:00 p.m. via webinar (https://www.bigmarker.com/griswold_lasalle/06-18-2020-Coalinga-Council-Meeting) to adopt an ordinance amending the planning and zoning code setting the number of permitted cannabis retail locations inclusive of on-site consumption. This ordinance will establish development regulations for consumption lounges related to permitted locations, prerequisites, and permit requirements.

The draft ordinance updates the retail cannabis permitted uses and associated development regulations for regulating the on-site consumption of cannabis and cannabis products.

Project Location: This ordinance will affect all locations in zones that permit retail cannabis uses in the downtown overlay district.

All interested persons are invited to appear at the time and place specified above to give testimony regarding the proposed action listed above.
